## Defining teenagers

A Teenager is...

A romantic who never falls in love more than once a week.

A person who can't remember to walk the dog but never forgets a phone number.

Someone who can hear a song by Madonna played three blocks away but not his mother calling from the next room.

A student who will spend 12 minutes studying for her history exam and 12 hours for her driver's license.

## Birthday Celebration in Sunday School

Last Sunday each month  
If you would help provide refreshments, contact Bro. Shawn or April Walls
